Dear Mr. McCone:

The National Civil Service League is pleased to advise you that we are once again planning our annual presentation of Career Service Awards to ten outstanding employees of the Federal government.

Your Agency's past support of this program, President Kennedy's enthusiastic endorsement, his meeting with Award winners, and the great prestige that accompanies the recognition accorded recipients, has made this annual League function one of the true highlights of Washington activities.

The positive success of this program would not be possible without the personal cooperation of persons of high responsibility. We are hopeful that you will help us make this, the tenth annual Career Service Awards program, the most successful to date. We would be pleased if you would encourage participation of your Agency by nominating some of your highly qualified men and women for the 1964 Career Service Award. Additional information is carried in the enclosed announcement. A supply of these will be forwarded to the personnel facilities of all the departments and agencies.

A dinner honoring the ten award winners and the Federal service is scheduled for April 14, 1964, at the Sheraton-Park Hotel in Washington, D. C. We hope you will mark your calendar and plan to join with us that evening in honoring exemplary public service and in bringing greater recognition to the outstanding achievements of the dedicated people in the Federal government.

Sincerely,

*Nicholas Kelley*

## *Career Service Awards*

The National Civil Service League, a nonpartisan citizens' organization for good government, announces its Tenth Annual Career Service Awards Program.

### *Purpose*

This National Civil Service League program is undertaken to strengthen the public service by bringing national recognition to significant careers in the Federal service.

The League will grant awards to ten career employees who exemplify in an outstanding manner the primary characteristics of the career service: efficiency, achievement, character, and service. Extensive publicity through television, radio, magazines, and newspapers will be given to the selections and the presentation of the awards.

### *The Award*

The Career Service Award recipients will be presented with a scroll and will be guests of honor at a dinner in Washington, D. C. to be addressed by a nationally prominent speaker and attended by many leaders of government, business, education, and the professions.

### *Basis of Selection*

A record of exceptional efficiency; evidence of sustained superior performance and accomplishment.

#### *2. Character*

A record of integrity and devotion to the principles of public service.
